## Who Can Become a Member?

PITA Members are telecommunication entities within Pacific Island countries, carriers of Pacific Island countries, Government ministries and Telecommunication Regulatory Authorities of Pacific Island countries.

PITA Associate Members are suppliers of telecommunication equipment and services from within and outside the Pacific Island countries, regional or international organisation, and other entities within Pacific Island countries

Special Membership Fee category is available for eligible Government departments and agencies.  
(*please enquire with PITA Manager*)

## Application Form

Please complete Application Form in full and email it to [pita@connect.com.fj](mailto:pita@connect.com.fj) or fax to (679) 3308750.

## Conditions for Applications - Provisional Membership

All new membership applications once pre-approved can start participating in PITA events and networking activities.

To be pre-approved, relevant membership fees must be paid in full and profile information including any background information required must be provided to the PITA Manager, whom shall then provide pre-approval to become Provisional member in writing/ or by email.

Once ratified at the PITA AGM (held in April every year), then membership as either a Member or an Associate Member is formalised, and if a member and entitled to vote, the new member can begin exercising this benefit.

**Bank:** ANZ BANK, Main Branch, 25 Victoria Parade, Suva, FIJI

**SWIFT CODE** – ANZBFJFX

**BSB No.** 010890

- ◆ Add F\$15 for bank charges

## Benefits

1. Meet and network with peers and key players of telecommunications in the Pacific, to:
  - a. Establish new relations and prospects
  - b. Exchange and share experience
  - c. Create new opportunities
  - d. Work together in addressing common needs and issues
2. Participate in enhancing and developing telecommunications in the Pacific

PITA coordinates meetings/seminars, workshop and training for its members in the region and maintains a forum for regional networking and international collaboration for development for all its members throughout the region.

PITA meetings and events provide very cost effective opportunities to promote new ideas, new solutions and understanding regional issues and needs, and also to meet all key people in communications from the various islands, communication agencies and suppliers.

## PITA Activities

PITA has two main meetings organised for members during the year. The first meeting is held prior to the start of the Pacific Telecommunications Council (PTC) Annual Conference held every January in Honolulu, Hawaii. PITA also has its Annual General Meeting months before June (start of its financial year).

Where requested by members or when the opportunity arises, other PITA events/activities such as projects, workshops, conferences and seminar, training, tradeshows and exhibitions are planned outside these meetings and can be held at different times of the year. PITA supports joint events with other organisations in the promotion of telecommunications development in the Pacific and for cost savings, events can be held back to back.

Attendance to any PITA event is open to all members with minimum or no registration fee. PITA does not provide any fellowship for participation at any event.
