N° ~~CS~~/OPT/PCA/010

**To : Services providers**

**Subject: Tender for the Provision of Onward Connection Services for Honotua in/from Hawaii**

Dear potential bidder

OPT is seeking tenders for providing onward connection services for its new submarine cable Honotua to be commissioned between Tahiti and Kawaihae, Hawaii (near Spencer Beach) in May 2010. From our enquiries, we have assessed that you may be able to provide some or all of the services that we require and accordingly we invite you to submit a tender.

Associated with this letter of invitation are the formal RFT documents. You will note that we are seeking bids for several lots, all of which have options. You can bid for some or all of these however if bidding for multiple lots, you will need to respond comprehensively to the issue of any overlap between the lots which might compromise security.

The tender document outlines the requirements for bidding.

We look forward to receiving your bid. Should you have any questions, do not hesitate to contact us as outlined in the documents. Please confirm receipt of this tender by reply email to [honotua.interconnexion.tender2010@opt.pf](mailto:honotua.interconnexion.tender2010@opt.pf)

Best regards,

Mr Carol Raoulx  
Honotua Project Leader
