

Sponsoring at the Telecoms Strategy Forum

The Telecoms Strategy Forum is a high-level business and technical forum for PITA Members and key players from the Telecom/ICT industry in the Pacific.

It is a continuity of previous successful Strategy Forum forums held around October November every year since 2006 and now providing a timely and regular meeting point for business and technical discussions.

As a preliminary planning, there will be 3 sponsor packages as follows

1. GOLD/Major sponsor – USD5,000
2. Corporate sponsor – USD2,500
3. Supporting Sponsor – USD1,000

This may change once we confirm with details, with other sponsor proposals being open for consideration.

Benefits could include as we finalise

GOLD

Exclusive front seating for 2 at the conference, a Table at the side or rear of meeting room assigned for display, acknowledgements from Chair and in Program, speaking opportunity at evening social function, promotional activity or literature given as part of registration, own banner display at the front of room (self-standing 2x1m)

Corporate

As above but minus the exclusive seating and speaking at the evening function. Own Banner display will be at rear of room.

Supporting

As for GOLD minus exclusive seating, display table, speaking at evening function and own banner display
